Meet

KELLY
FRANCOIS

Hey there! I am Kelly. A travel writer, solo traveller, and the face behind Just One Passport.

My passion is travel, and my goal is to inspire and encourage others to escape their comfort zone through my travels and adventures, and to step out into the world of solo travel.

When I am not travelling or out on an adventure, you will find me spending much loved time with my 3 children and my 2 grandchildren. I am also attempting to recruit them into the world of adventures.

I am a legal beagle by day, and a traveller and adventure lover by nights (and weekends).

What Has Made Me Popular

I have had the unique ability to connect with my readers, and to develop a relationship of trust and genuine friendship, with both men and women alike.

This connection has come as a result of my honesty, sense of humour, empathy, and my genuine desire to get to know and help people.

I value these friendships and I work hard everyday to maintain these relationships and provide my readers with my honest opinions and reviews of all of my travels and adventures.
